Lindsay Condron Swimwear

Prints Charming

What do the **Academy Awards Telecast** and **Super Bowl Sunday** have in common? Other than being magnets for television sponsors (at least in an ideal situation), they are also events that have event planners building gifting suites intended to be as star studded (if not more) than the main events themselves. While **GBK's pre-Oscar bash** at **Boulevard 3** and the **Haines Style Villa by Access Media** and **Eastside PR at Scottsdale's Hotel Indigo** couldn't have been more different in terms of tone and guest lists, one thing they did have in common was the playfully seductive swimwear of **Lindsay Condron**. What makes her sweet little line different? It throws in some preppy prints and accents that scream "East Coast" into some clearly "West Coast" silhouettes.

As a result, some of the sexiest ladies came to Lindsay's area at the suites to suit up for the real games—L.A.'s uber-exclusive beach houses, beach parties and poolside shindigs: **Kendra Wilkenson**, **Amy Ryan**, **Paula Abdul**, **April Scott**, **Stacy Keibler** and **Gabrielle Union**. Though the silhouettes are spare, Lindsay's adorable looks will certainly provide a lot of incentive for the rest of us to skip chips and chocolate from now until Labor Day and re-amp our workouts from last summer.

The line can be seen and tried at **Diane's Beachwear stores** throughout Southern California (including Santa Monica and Newport Beach) and online at www.LindsayCondron.com.
