### Stepping into The Donald's Shoe—Donald J Pliner, that is!

If you had tickets to the main **ESPY Awards game** or the "the Locker Room" (that is, the A-List Celebrity Locker Room at THE Mansion, adorned by The Book L.A. Coverboy **Hef and his Playmates**) in July, a stop at the **Donald J Pliner** suite at the **ESPY Style Lounge** was a must. While celebrities such as **Kevin Dillon**, **Stacy Keibler**, Olympic skier **Bode Miller**, NASCAR driver **Danica Patrick**, and **Lindsay Lohan** were getting fitted (kind of like Cinderella, but before the ball), with current on the shelf styles, they could also get an advance look at the fantastic things that awaited them at the Donald J Pliner flagship store in the fall.

The men's and women's shoes were a hot, and highly appreciated item, not only for their luxe Italian materials, craftsmanship and superior comfort, but also the innovative styles that keep them on top of the fashion charts with savvy industry people, on and off the field—After all, L.A. is the kind of town that keeps people on its toes.

Donald J Pliner men's and women's shoes are known for their stylish comfort with a classic approach to living the good life. Donald J Pliner also features a wonderful collection of handbags, accessories and Friends of BabyDoll Pliner (dog accessories for dogs up to 20 pounds).
