Teuscher of Switzerland

Sweet on Champagne

While good chocolate is a sure-fire way to a girl's heart, the Beverly Hills boutique offering **Teuscher**, the pinnacle of Swiss artisanal chocolate, has found its way into the hearts of both men and women when offered as a token of affection, a thank you gesture, or simply an expression of good taste.

Quite simply, what's there not to love? Teuscher Beverly Hills, located on the corner of **Brighton Way and Camden Drive**, offers 60 luxury chocolates including a selection of delectable truffles, pralines, marzipan, and solid chocolates. Though the many flavors are sure to ignite a passionate response, the staff point out that their signature **Champagne Truffles, with Dom Perignon** fly out of the stores on Valentine's Day, Mother's Day and other occasions where ordinary decadence simply will not do. This heartbreakingly delicious confection is a delicate truffle is a blend of fresh cream, butter and chocolate with a champagne cream center surrounded by a dark chocolate ganache, enrobed in milk chocolate and dusted with confectioner's sugar.

Seduced yet?

As we're certain a gift of Teuscher will have the recipient begging for more, the store is prepared for such an enthusiastic response with an outdoor café and take-out window reminiscent of some of Europe's great chocolate salons, where dessert, coffee and other delights are enjoyed as one would take in a fine meal. The staff boasts that the site in Beverly Hills to offer outdoor seating is the perfect spot to enjoy terrific coffee drinks while indulging in a piece or two of the world's most coveted Swiss chocolates. Recent shoppers include **Renee Zellweger, Brody Jenner, Jessica Alba** and **Samantha Ronson**.

One lucky reader, with or without a valentine, will be kissed with some luscious signature Champagne Truffles with Dom Perrignon.
